What is Top Score?

The Top Score classes are run under RWHS & British Riding Clubs 2012 rules. A number of different jumps will be constructed within the height range for the class. Each fence will be capable of being jumped in either direction. The course plan will show how many points each fence is worth (from 20 – 200). Each fence may be jumped twice. The rider will have 60 seconds from the bell to get the maximum points they can. For all fences except the Joker, points will be awarded for them being cleared but no points will be awarded if any part of the fence is dislodged. Knocked down fences will not be rebuilt and no points will be gained if a knocked down fence is jumped. The Joker fence will be the maximum height and is worth a maximum of 200 points. However, if any part of the Joker fence is dislodged, 200 points will be deducted from the riders score. The bell will ring when the 60 seconds is up.

Does my horse need to be vaccinated to qualify?

Horses and Ponies need to comply fully with equine influenza requirements (Rule G7) for the qualifier. All horses & ponies that qualify will have their passports checked on the day, failure to provide current flu vaccination record that complies with rule G7 will forfeit their qualification and it will pass down the line.

Am I and my horse eligible for the top score competition?

Novice: Horse/Pony to have no BS winnings within the last five years
Intermediate: Horse/Pony to have won no more than £175 BS in the last five years
Horse/rider combinations are only allowed to enter one Top Score class, the same horse/rider combination cannot enter both Novice & Intermediate Top Score.

Each rider must be a member of an affiliated BRC club in Area 18 to qualify but non-members may still take part.

What about tack?

Usual BRC show jumping rules apply.
